About Us

Asia Trade Office is a global trading company rooted in Indonesia with strategic expansions into Montenegro and Turkey. We deliver high-quality, ethically-produced goods from South Asia, Turkey, and Europe to international markets, offering a trusted alternative to mass-produced, lower-quality products. Driven by our commitment to quality, innovation, and collaboration, we uphold the highest standards to meet the expectations of today's discerning consumers.

Desiccated Coconut Reduced Fat (55% Fat)

Desiccated Coconut is an additional ingredient made of mature coconut meat which has been processed by de-shelling, grinding, blanching, and steaming.

Key Benefit:

Natural Processing

Made from mature coconut meat through de-shelling, grinding, blanching, and steaming, ensuring high product quality

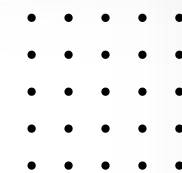

Versatile Ingredient

Can be used as an additional ingredient in various food and beverage applications.

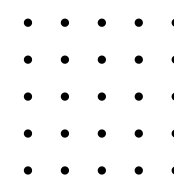

Preserved Freshness

Processing method helps retain the mild and sweet characteristic of coconut.
